

Levamisole Hydrochloride (8%) Liquid Formulation

| Version | Revision Date: | SDS Number: | Date of last issue: 06.04.2024 |
|---------|----------------|----------------|---------------------------------|
| 3.1 | 28.09.2024 | 10849440-00006 | Date of first issue: 09.09.2022 |

SECTION 1: Identification of the substance/mixture and of the company/undertaking

1.1 Product identifier

| Trade name | : | Levamisole Hydrochloride (8%) Liquid Formulation |
|-------------------------------|---|--|
| Other means of identification | : | COOPERS NILVERM LV ORAL WORMER (36152) |

1.2 Relevant identified uses of the substance or mixture and uses advised against

| Use of the Sub- stance/Mixture | : | Veterinary product |
|-----------------------------------|---|--------------------|
| Recommended restrictions on use | : | Not applicable |

1.3 Details of the supplier of the safety data sheet

| Company | : | MSD Walton Manor, Walton MK7 7AJ Milton Keynes - United Kingdom |
|--|---|---|
| Telephone | : | +1-908-740-4000 |
| E-mail address of person responsible for the SDS | : | EHSDATASTEWARD@msd.com |

1.4 Emergency telephone number

+1-908-423-6000

SECTION 2: Hazards identification

2.1 Classification of the substance or mixture

Classification (REGULATION (EC) No 1272/2008) as amended by GB-CLP Regulation, UK SI 2019/720, and UK SI 2020/1567)

Reproductive toxicity, Category 2

H361d: Suspected of damaging the unborn child.

2.2 Label elements

Labelling (REGULATION (EC) No 1272/2008) as amended by GB-CLP Regulation, UK SI 2019/720, and UK SI 2020/1567)

Hazard pictograms

Levamisole Hydrochloride (8%) Liquid Formulation

| Version 3.1 | Revision Date: 28.09.2024 | | SDS Number: 10849440-000 | 06 | Date of last issue: 06.04.2024 Date of first issue: 09.09.2022 |
|----------------|---------------------------|---|--------------------------------|---------------|--|
| Signa | al word | : | Warning | | |
| Haza | ard statements | • | H361d | Susp | ected of damaging the unborn child. |
| Prec | autionary statements | : | Prevention P201 P280 | Obtai Wear | n special instructions before use. protective gloves/ protective clothing/ eye ction/ face protection. |
| | | | Response: P308 + P31 | | exposed or concerned: Get medical advice/ ion. |
| | | | Storage: P405 | Store | locked up. |

Hazardous components which must be listed on the label: levamisole hydrochloride

2.3 Other hazards

This substance/mixture contains no components considered to be either persistent, bioaccumulative and toxic (PBT), or very persistent and very bioaccumulative (vPvB) at levels of 0.1% or higher.

SECTION 3: Composition/information on ingredients

3.2 Mixtures

Components

| Chemical name | CAS-No. EC-No. Index-No. Registration number | Classification | Concentration (% w/w) |
|--------------------------|---|--|--------------------------|
| levamisole hydrochloride | 16595-80-5 240-654-6 | Acute Tox. 3; H301 Repr. 2; H361d STOT RE 2; H373 (Blood, Testis) Aquatic Chronic 3; H412 | >= 3 - < 10 |
| Citric acid | 77-92-9 201-069-1 607-750-00-3 | Eye Irrit. 2; H319 STOT SE 3; H335 | >= 1 - < 10 |

For explanation of abbreviations see section 16.

UK REACH Regulations SI 2019/758

Levamisole Hydrochloride (8%) Liquid Formulation

| Version | Revision Date: | SDS Number: | Date of last issue: 06.04.2024 |
|---------|----------------|----------------|---------------------------------|
| 3.1 | 28.09.2024 | 10849440-00006 | Date of first issue: 09.09.2022 |

SECTION 4: First aid measures

| 4.1 Description of first aid measures | | | | | |
|---------------------------------------|------|--|--|--|--|
| General advice | : | In the case of accident or if you feel unwell, seek medical ad- vice immediately. When symptoms persist or in all cases of doubt seek medical advice. | | | |
| Protection of first-aiders | : | First Aid responders should pay attention to self-protection, and use the recommended personal protective equipment when the potential for exposure exists (see section 8). | | | |
| If inhaled | : | If inhaled, remove to fresh air. Get medical attention. | | | |
| In case of skin contact | : | In case of contact, immediately flush skin with soap and plenty of water. Remove contaminated clothing and shoes. Get medical attention. Wash clothing before reuse. Thoroughly clean shoes before reuse. | | | |
| In case of eye contact | : | Flush eyes with water as a precaution. Get medical attention if irritation develops and persists. | | | |
| If swallowed | : | If swallowed, DO NOT induce vomiting. Get medical attention. Rinse mouth thoroughly with water. | | | |
| 4.2 Most important symptoms an | nd e | effects, both acute and delayed | | | |
| Risks | : | Suspected of damaging the unborn child. | | | |

4.3 Indication of any immediate medical attention and special treatment needed Treatment : Treat symptomatically and supportively.

SECTION 5: Firefighting measures

| 5.1 Extinguishing media | | |
|--------------------------------|---|---|
| Suitable extinguishing media | : | Water spray Alcohol-resistant foam Carbon dioxide (CO2) Dry chemical |
| Unsuitable extinguishing media | : | None known. |

Levamisole Hydrochloride (8%) Liquid Formulation

| Vers 3.1 | sion | Revision Date: 28.09.2024 | | OS Number: 849440-00006 | Date of last issue: 06.04.2024 Date of first issue: 09.09.2022 |
|---|------------------------------------|-----------------------------------|-----------------|---|--|
| 5.2 \$ | Special | hazards arising from | the | e substance or mi | xture |
| Specific hazards during fire- fighting | | : | Exposure to com | oustion products may be a hazard to health. | |
| | Hazardous combustion prod- ucts | | : | Carbon oxides | |
| 5.3 | Advice | for firefighters | | | |
| | Specia for firef | l protective equipment ighters | : | | e, wear self-contained breathing apparatus. tective equipment. |
| | Specifi ods | c extinguishing meth- | : | cumstances and t Use water spray t | g measures that are appropriate to local cir- the surrounding environment. to cool unopened containers. ged containers from fire area if it is safe to do |

SECTION 6: Accidental release measures

6.1 Personal precautions, protective equipment and emergency procedures

| Personal precautions | : | Use personal protective equipment. Follow safe handling advice (see section 7) and personal pro- |
|---------------------------------|------|---|
| | | tective equipment recommendations (see section 8). |
| 6.2 Environmental precautions | | |
| Environmental precautions | : | Avoid release to the environment. |
| | | Prevent further leakage or spillage if safe to do so. Prevent spreading over a wide area (e.g. by containment or oil |
| | | barriers). |
| | | Retain and dispose of contaminated wash water. |
| | | If spillage enters rivers or watercourses, inform the Environ- ment Agency (emergency telephone number 0800 807060). |
| 6.3 Methods and material for co | ntai | nment and cleaning up |
| Methods for cleaning up | : | I |
| | | For large spills, provide dyking or other appropriate contain- ment to keep material from spreading. If dyked material can |

be pumped, store recovered material in appropriate container.
Clean up remaining materials from spill with suitable absorbent.
Local or national regulations may apply to releases and disposal of this material, as well as those materials and items employed in the cleanup of releases. You will need to determine which regulations are applicable.
Sections 13 and 15 of this SDS provide information regarding certain local or national requirements.

6.4 Reference to other sections

See sections: 7, 8, 11, 12 and 13.

SECTION 7: Handling and storage

7.1 Precautions for safe handling

| Technical measures | : | See Engineering measures under EXPOSURE CONTROLS/PERSONAL PROTECTION section. |
|--|-----|--|
| Local/Total ventilation Advice on safe handling Hygiene measures | : | Use only with adequate ventilation. Do not breathe mist or vapours. Do not swallow. Avoid contact with eyes. Avoid prolonged or repeated contact with skin. Handle in accordance with good industrial hygiene and safety practice, based on the results of the workplace exposure as- sessment Take care to prevent spills, waste and minimize release to the environment. If exposure to chemical is likely during typical use, provide eye |
| | | flushing systems and safety showers close to the working place. When using do not eat, drink or smoke. Wash contami- nated clothing before re-use. The effective operation of a facility should include review of engineering controls, proper personal protective equipment, appropriate degowning and decontamination procedures, industrial hygiene monitoring, medical surveillance and the use of administrative controls. |
| 7.2 Conditions for safe storage, in | ncl | uding any incompatibilities |
| Requirements for storage areas and containers | : | Keep in properly labelled containers. Store locked up. Store in accordance with the particular national regulations. |
| Advice on common storage | : | Do not store with the following product types: Strong oxidizing agents Gases |
| 7.3 Specific end use(s) | | |
| Specific use(s) | : | No data available |

SECTION 8: Exposure controls/personal protection

8.1 Control parameters

Occupational Exposure Limits

| Components | CAS-No. | Value type (Form of exposure) | Control parameters | Basis |
|-------------------------------|------------|-------------------------------|--------------------|----------|
| levamisole hydro- chloride | 16595-80-5 | TWA | 20 µg/m3 (OEB 3) | Internal |

Levamisole Hydrochloride (8%) Liquid Formulation

| Version 3.1 | Revision Date: 28.09.2024 | SDS Number: 10849440-00006 | Date of last issue: 06.04.2024 Date of first issue: 09.09.2022 | |
|----------------|---------------------------|-------------------------------|---|----------|
| | Further informa | | | |
| | | Wipe limit | 200 µg/100 cm ² | Internal |

Predicted No Effect Concentration (PNEC)

| Substance name | Environmental Compartment | Value |
|----------------|---------------------------|---------------------------------|
| Citric acid | Fresh water | 0.44 mg/l |
| | Marine water | 0.044 mg/l |
| | Sewage treatment plant | 1000 mg/l |
| | Fresh water sediment | 34.6 mg/kg dry weight (d.w.) |
| | Marine sediment | 3.46 mg/kg dry weight (d.w.) |
| | Soil | 33.1 mg/kg dry weight (d.w.) |

8.2 Exposure controls

Engineering measures

Use appropriate engineering controls and manufacturing technologies to control airborne concentrations (e.g., drip-less quick connections).

All engineering controls should be implemented by facility design and operated in accordance with GMP principles to protect products, workers, and the environment.

Containment technologies suitable for controlling compounds are required to control at source and to prevent migration of the compound to uncontrolled areas (e.g., open-face containment devices).

Minimize open handling.

Personal protective equipment

| Eye/face protection | : | Wear safety glasses with side shields or goggles. If the work environment or activity involves dusty conditions, mists or aerosols, wear the appropriate goggles. Wear a faceshield or other full face protection if there is a potential for direct contact to the face with dusts, mists, or aerosols. |
|---------------------------------------|---|--|
| Hand protection | | |
| Material | : | Chemical-resistant gloves |
| Remarks Skin and body protection | : | Consider double gloving. Work uniform or laboratory coat. Additional body garments should be used based upon the task being performed (e.g., sleevelets, apron, gauntlets, disposable suits) to avoid exposed skin surfaces. Use appropriate degowning techniques to remove potentially contaminated clothing. |
| Respiratory protection Filter type | : | If adequate local exhaust ventilation is not available or expo- sure assessment demonstrates exposures outside the rec- ommended guidelines, use respiratory protection. Equipment should conform to BS EN 143 Particulates type (P) |

oxidizing.

Informed Consent (PIC) Regulation Control of Major Accident Hazards Regulations 2015 (COMAH) Not applicable

Other regulations:

Take note of The Management of Health and Safety at Work Regulations 1999 (requirements relating to new and expectant mothers at work contained in Regulation 16 to 18) and of the Pregnant Workers Directive 92/85/EEC.

The components of this product are reported in the following inventories:

| AICS | : | not determined |
|-------|---|----------------|
| DSL | : | not determined |
| IECSC | : | not determined |

15.2 Chemical safety assessment

A Chemical Safety Assessment has not been carried out.

SECTION 16: Other information

| Other information : | | Items where changes have been made to the previous versio are highlighted in the body of this document by two vertical lines. | | |
|--|---|---|--|--|

The information provided in this Safety Data Sheet is correct to the best of our knowledge, information and belief at the date of its publication. The information is designed only as a guidance for safe handling, use, processing, storage, transportation, disposal and release and shall not be considered a warranty or quality specification of any type. The information provided relates only to the specific material identified at the top of this SDS and may not be valid when the SDS material is used in combination with any other materials or in any process, unless specified in the text. Material users should review the information and recommendations in the specific context of their intended manner of handling, use, processing and storage, including an assessment of the appropriateness of the SDS material in the user's end product, if applicable.
